SWAB A CHEEK, SAVE A LIFE

Register as a bone marrow donor!

Wednesday, January 15th
11:00 am - 2:00 pm

Enoch Pratt Free Library
400 Cathedral Street, Baltimore, MD 21201

The registry drive will be located in the Central Hall of the library.

It only takes five minutes to register, and you could save a life. Each year, thousands of patients with blood cancers and blood disorders will need a bone marrow transplant to survive. With a simple cheek swab, you'll be a registered bone marrow donor and if you match with a patient in need, you could save a life. Find out more by visiting www.theregoesmyhero.org.
